

Fence posts - from south, going towards Route 1

1
Japanese traditional
roof

6
A tent, because why
not?

2
Heavily modified
Palladian villa,
modeled after the
Villa Capra

7
Hipped roof,
common in tradi-
tional English
building

3
Scots "corbie walk"
(crow-stepped)
gable cottage

8
Pitched roof with
dormer windows

4
Eichler home - "Cali-
fornia Modern"
popular in the 1960s
and still common in
the surrounding
streets

9
Possibly Javanese.
Running out of
ideas at this stage

5
Hyperbolic parabo-
loid roof, usually
limited to larger
buildings and only
here because I like
the math involved

10
Completely run out
of ideas, so finally a
second traditional
Scots house
